Update from John Pontius ('10), Chapter's Alumni Adviser

Happy 4th of July and I hope everyone's summer is off to a good start.

Thank you again for registering to receive the Pier newsletter. We've grown steadily over the past few editions and I'm looking forward to continued success and growth. This is a lighter letter since the brothers are on Summer vacation, but we do have a few dates to share with you. We have two golf outings this summer. The first will take place in New Hampshire this August for New England alumni, brothers, and their families. The second will take place over parent's weekend in September at St. Lawrence. Please see below for complete details.

Lastly, I would like to personally thank all of the alumni who have contributed or offered to contribute to the costs of keeping this newsletter up and running. Fortunately, there are very few expenses (aside from a few stamps) that the newsletter requires.

I do plan on organizing a formal fund to help with alumni initiatives and will be working

with fellow alumni to set up an easy to use, transparent system. I've spoken with the current chapter president, William Scatchard, and one of the areas the chapter could use some help is with transportation costs to and from national conventions. As you know, travel from Canton, New York can be a little harder than from other campuses and this summer alone the chapter spent over \$1,000 to get members to these events that are required by the general fraternity. It is my hope that we can eventually help shoulder a small part of this "burden," so that costs don't inhibit Beta Zeta's attendance.

I hope everyone has a great summer and that we'll see you out at one of the events in the near future.

Yours in _ Kai _,
John

New England Summer Golf Outing

Of Ever Honored Memory

Brother Igor Bishko recently shared the news of the unfortunate passing of Brother Stephen Sutton

Of ever honored memory...

1931 Edition of "The Pier"

I recently found and purchased a 1931 edition of "The Pier." It was part of an estate sale and has some damage, but for the most part readable. I am working on having it scanned to include in an upcoming newsletter.

If you have any historical items that you would like to share, please send me a message at info@betazetapier.com
